Hospital

YOU ARE

INVITED

## YOU ARE INVITED ...

Bury Physio, are hosting an educational talk aimed at Physios regarding pain management and chronic pain with BMI St Edmund's Hospital's Dr Mark Sanders.

Dr Sanders is a Consultant in Anaesthetics & Pain Management at the Norfolk and Norwich University Hospital Trust and works at the BMI St Edmunds Hospital. Dr Sanders regularly sees and treats patients with acute and chronic conditions affecting their physical and mental wellbeing. He sub-specialises in back pain; neck pain; post-surgical pain; Complex Regional Pain Syndrome (CRPS/RSD); trigeminal neuralgia; facial pain and headaches.

3rd March 2020- Dr Mark Sanders "Solving the jigsaw of pain: where do the pieces fit?"

If you would like to attend this talk, please RSVP to the Bury Physio:

[admin@buryphysio.co.uk](mailto:admin@buryphysio.co.uk)

**Time** 19:00hrs

**Date** 03/03/2020

**Venue** Bury Physio, Maynewater Lane,  
Bury St. Edmunds IP33 2AB
